

Tentative Schedule for Proposition 50 Funding Cycles

For the first cycle of Proposition 50 funding activities, the Department of Health Services (DHS) preapplications were due by December 2004.

For the second cycle, preapplications were due by January 31, 2006.

For the third cycle, preapplications will be released in late 2006, and due in early 2007.

The schedule described for the first funding cycle will be followed for subsequent funding cycles.

First Funding Cycle	
Beginning of preapplication period *	October 1, 2004
Last day to submit preapplications	December 1, 2004
DHS reviews preapplications	completed
DHS develops Project Priority Lists (PPLs) and submits them for public review	ongoing
DHS determines fundable portion of PPLs	ongoing
DHS invites submittal of full applications	Begins in Fall of 2005
Applicant submits full application	Within 6 months of invitation
DHS reviews, evaluates and approves project, and issues Letter of Commitment (LoC)	Within 8 months of receipt of complete application
Applicant signs and returns LoC	Up to 2 months after receipt of LoC
Applicant submits plans, specs, financial, and environmental documentation	Up to 6 months after LoC is signed and returned
DWR develops funding agreement	After LoC requirements are met
Second Funding Cycle	
Beginning of preapplication period *	November 15, 2005
Last day to submit preapplications	January 31, 2006
Third Funding Cycle	
Beginning of preapplication period *	November 2006
Last day to submit preapplications	January 2007

*If you submitted a preapplication in a previous round and it is on a PPL, you do not need to resubmit your preapplication. The next preapplication period is for new projects.

If your preapplication was previously found to be ineligible, you will need to address the deficiencies in your preapplication before resubmitting it.
